Purpose

These additional funds will support a four-month continuation of the project which provides coordination of several parent support services. This coordination is intended to maximize the resources available through federal funding as well as improve accountability for providing quality services to parents of students with disabilities. This system can support improved parent involvement in education, strengthen partnerships between families and schools, and enhance parents' knowledge and effectiveness in exercising their rights and responsibilities as identified under the IDEA 97. This grant is in the fifth year of a five year grant and is currently in the process of being rebid for fiscal year 2003-04.
